

## Ring Sizing Guide

Finding your ring size is an important part of buying a ring! Try out our printable ring sizer to measure your finger and determine your perfect fit.

### MEASURE WITH THE RS PURE RING SIZE CHART

Choose a ring that fits the finger on which you plan to wear your new ring, and match the inside of that ring with one of the circles below. When your ring is placed on the correct size, you will only see the white circle inside the ring. If your ideal fit falls between two sizes, we recommend choosing the larger size.

We offer ring sizing for select rings. Contact RS Pure Customer Care at 800-493-2808 for more information.

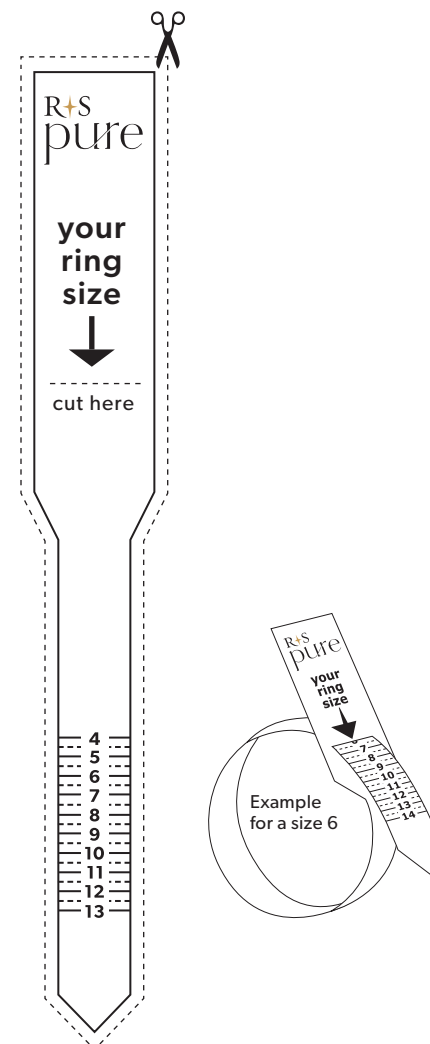

### PRINT GUIDELINES

To determine the correct size, print this guide on US Letter size paper (8.5 x 11"), scaled to 100%.

### MEASURE WITH THE RS PURE RING SIZER

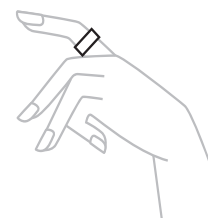

- 1 Cut out the ring sizer and cut along the horizontal line to create a slit.

- 2 Wrap the ruler around the base of your finger and pull the tapered end through the opening.

- 3 The number that lines up with the edge of the opening is your ring size.\*

\*To ensure the ring will fit comfortably, we recommend also measuring your knuckle in order to select a size that goes on and off your finger easily.
